THE OWLS HAVE WON 8 NATIONAL CHAMPIONSHIPS
Temple Fans,

The 2018-19 athletic year truly was a successful one for your Temple Owls.

Our student-athletes won championships, reached new heights and continued to raise the bar in the classroom. They continue to be a source of great pride for not only our department, but the University as a whole. I must commend our coaches, academic advisers and support staff that have done a tremendous job in nurturing an environment that enables our young men and women to achieve at this high level.

Here is a list of some of our major accomplishments this year:

• Eighteen of 19 teams earned a combined 3.0 cumulative GPA and the spring semester overall student-athlete GPA was a record 3.26.
• Temple again led the AAC with seven programs earning NCAA Division I Academic Performance Program (APP) Public Recognition, which honors the top 10 percent of Division I teams across the nation for their multi-year academic performance.
• Over 2,000 community service hours were logged by our selfless Owls.
• Football played in the Independence Bowl, its record fourth straight bowl appearance.
• Men’s Basketball returned to the NCAA Tournament, capping the fine career of head coach Fran Dunphy who retired following the season.
• Women’s Gymnastics first-year head coach Josh Nilson led the Owls to their first-ever ECAC Championship.
• Fencing won its 24th straight NIWFA championship and ended its season ranked 10th nationally while Blessing Olaode and Kerry Plunkett earned honorable mention All-America.
• Women’s Rowing won its first Dad Vail Points Trophy since 1996 and combined with Men’s Crew to win the Overall Points Trophy at the prestigious regatta.
• Men’s Cross Country turned in its best finish at the American Athletic Conference Championships (2nd) and the IC4As (6th).
• Women’s Cross Country won the ECAC Championship with Grace Moore winning the individual title.
• Welcomed three new head coaches, Rod Carey (football), Aaron McKie (men’s basketball) and Susan Ciuflo (field hockey) that will make their debuts in 2019-20.

None of these accomplishments could have been made without the generosity of our donors who continued to increase their investment in Temple Athletics. It was another phenomenal year in this regard with our overall fundraising setting a record for the fifth straight year.

Again, it was a great year for Temple Athletics and I look forward to even more success in 2019-20.

GREATNESS DOESN’T QUIT.

Dr. Patrick Kraft
Director of Athletics
2018-2019 DEPARTMENT Recap

Highlighted by a fourth straight Bowl bid for football and an NCAA Tournament appearance for men’s basketball, the Temple University Athletics Department achieved much success in 2018-19, both in competition and in the classroom. Eighteen of 19 Temple teams finished the year with a combined GPA of 3.0 or above, and the Owls’ student-athletes as a whole achieved a record 3.26 GPA in the spring of 2019. With seven teams ranking in the top 10 percent in the nation for their multi-year academic performance by the NCAA, Temple led all American Athletic Conference teams in this important academic metric. After a three-game win streak to end the regular season, Temple football went to its record fourth straight Bowl game, the Walk-On’s Independence Bowl. Finishing at 23-10 overall, men’s basketball earned a spot in the NCAA Tournament for the eighth time in head coach Fran Dunphy’s 13 seasons. Dunphy earned numerous awards during and after his final season, including the John Wanamaker Award, the Gene Bartow Award, the Dean Smith Award and the Philadelphia Sports Writers Association Good Guy Award. The Owls’ gymnastics team captured the program’s first-ever ECAC title, while the women’s cross country team also won the ECAC Championship for the first time. In fencing, the Owls won their 24th straight NIWFA Championship and garnered a pair of honorable mention All-America honors at the NCAA Championships. On the water, Temple had huge success at the prestigious Dad Vail Regatta in May, with women’s rowing winning the title and combining with the men’s crew team to win the overall points trophy, both firsts since 1996.
In the 13th and final season for head coach Fran Dunphy, the Owls reached the NCAA Tournament for an eighth time in his tenure and for the 33rd time in program history.

Temple finished at 23-10 overall after a loss to Belmont in the NCAA First Four. It was the Owls’ first appearance in a play-in game since the field was expanded to 68 teams in 2011, and their first NCAA Tournament berth since 2016.

The Owls were picked to finish sixth in the American Athletic Conference, but surpassed expectations and tied for third with UCF. Temple earned the tiebreaker and a first-round bye in the AAC Championships.

Temple had three players recognized with American Athletic Conference postseason awards. Senior guard Shizz Alston, Jr. was named to the AAC First Team, junior guard Quinton Rose was named to the AAC Second Team, and sophomore guard Nate Pierre-Louis was named Most Improved along with Josh Carlton from UConn.

For a 12th year in a row, Temple defeated at least one team ranked in the Associated Press Top 25. On Jan. 9, the Owls handed Houston its first loss of the season with the Cougars ranked 17th at the time. On March 9, the Owls earned a Senior Day win over #25 UCF.

The Owls beat Tulsa, 84-73 on Feb. 23, for their 20th win of the season. Dunphy guided the Owls to 20 or more wins in nine of his 13 seasons.

Four of Temple’s games went to overtime and they had a perfect 4-0 record in those contests. In games decided by five or fewer points, the Owls went 9-2.

Temple ranked 16th in the nation with 8.6 steals per game. The Owls posted double-digit steals in 13 games. Alston led all players in the AAC with 19.7 points per game while also ranking first with a free-throw percentage of .908 (school record), first with 37.2 minutes played per game, second with 5.0 assists per game, fourth with 3.0 three-point field goals made per game and fifth with an assist/turnover ratio of 2.0.

Including a career-high 34-point performance in a win at UConn on March 7, Alston scored 20 or more points in each of the last nine games of the season.

Alston finished his career without having gone scoreless from long range in 44 straight games to set a new Temple record and become the only Owl in program history to make at least one three-pointer in every game of a season.

With 651 points in 2018-19, Alston ranks 15th all-time in program history for a single season. His 1,597 career points rank 13th.

Alston’s 99 three-pointers are third-best all-time in a season, while his 250 career three-pointers are fifth all-time.

Alston was the first player to average five assists per game since Lynn Greer (2000-01), and he finished with 418 assists to rank eighth all-time.

The team co-captain, Alston shattered the school mark for career free throw percentage, making 261 of 295 for an 88.5 percentage to best the previous record of 85.2 percent set by Greer.

In the first two months of the season, Alston and Rose both passed the 1,000-point career milestone. Rose has 1,353 points after three years and currently ranks 33rd all-time in program history.

Senior Ernest Aflakpui (5.9 ppg) pulled down 7.1 rebounds per game to lead the team and rank fifth in the AAC. Aflakpui notched four double-doubles as a senior and finished with seven double-doubles in his career.

Four of Temple’s top six scorers have remaining eligibility, including a trio of rising juniors in Pierre-Louis (13.3 ppg), J.P. Moorman II (5.9 ppg) and Justyn Hamilton (4.1 ppg).

HIGHLIGHTS

◆ The Owls kicked off the 2018 season with a fresh slate, welcoming new head coach Brian Rowland to North Philadelphia for his inaugural season at the helm of the program. Rowland joined the Owls after spending eight seasons on the University of Maryland’s men’s soccer staff, with his final three campaigns as the Terps’ associate head coach.

◆ Returning 11 players from the 2017 squad, Temple added 17 newcomers under its new leadership for the 2018 season. Rowland’s first recruiting class held a contingent of talented freshmen and transfers to shape the squad into a force to be reckoned with all season.

◆ The first win of the season was a memorable one, when the Owls topped No. 25 Old Dominion, 1-0, on Sept. 2. The game-winning, man-down goal came off the head of junior Zach Brown in the 63rd minute, and the team battled relentlessly to keep the nationally ranked Monarchs scoreless through the final whistle.

◆ The Owls earned another massive win later in the month when they dished conference foe UCF one of just two regular season losses. The Knights, who ended the season No. 9 in the nation and boasted one of the country’s top offenses, finished the year ranked in the top 10 for total goals, total points, scoring offense, points per game, assists per game, goals per game, shots per game and shots on goal per game. Temple shut down this offensive powerhouse led by All-American Cal Jennings, topping the Knights 1-0 courtesy of a Lukas Fernandes goal.

◆ Fernandes was an offensive threat for the Owls all season, leading the squad in points (16), goals (6), assists (4) and game-winning goals (3). The junior’s success did not go unnoticed, as he earned a spot on both the AAC All-Conference second team and Philadelphia Soccer Six-All Star team after a breakout year. He finished the season as one of the top forwards in the conference, tied for fourth in both goals and game-winning goals scored.

◆ The Owls qualified for the AAC tournament for the third time in four years after showcasing their talent, both new and veteran, over the course of the season. Despite scoring the first goal of the match, the Owls fell 3-1 to No. 20 UConn in the AAC quarterfinals to conclude their first season under Rowland. Illustrating the defensive abilities the team possessed, this was the only game Temple lost by more than one goal in all of its 19 matches.
For the first time since 2015, the Temple women’s soccer team earned a berth to the American Athletic Conference Tournament. In the preseason poll, the Owls were picked to finish 10th in the AAC. They ultimately secured the No. 6 seed and faced the No. 3 seed UCF in the AAC quarterfinals at USF’s Corbett Stadium. The squad’s season came to an end against the Knights, falling 3-0.

Temple improved upon its overall standing in the AAC, placing sixth this year compared to eighth in 2017. Two Owls earned AAC accolades for their outstanding performances in the regular season. Aisha Brown was named First Team All-Conference and Gabriela Johnson was selected to the All-Rookie team. Brown is an instrumental member of the Temple backline. The Nokesville, Va. native was highly effective at making attacking runs from her defensive position to set her teammates up in the final third and was a key contributor to Temple’s six shutouts on the season. She is the first player in program history to be named First Team All-Conference since 1999. Johnson was an offensive spark for the Owls. The forward tallied five goals and two assists in her freshman campaign and tied for the team-high in points with 12. Two of Johnson’s scores were golden goals. At Houston, she netted the game-winner in overtime to give the Owls a 3-2 victory in the pivotal match. At home against then No. 19 USF, Johnson found the back of net in double overtime to propel the Owls to their first win over a ranked opponent since 1995.

Temple notched two historic program wins this fall. On Aug. 31, the team defeated Big Ten foe Maryland 1-0 at the Temple Sports Complex. This was the Owls first ever win against a Big Ten opponent and first against the Terrapins since 1993. On Sept. 30, Temple earned their first win against USF in program history. The Owls shut out the No. 19 Bulls and scored the game-winner in double overtime to give them their first victory over a ranked opponent since 1995.

The Owls’ largest margin of victory was three goals and it was attained twice this season. Temple blanked Delaware State and Wagner 3-0.

Emma Wilkins and Johnson led the Owls’ offense in production. They both tallied 12 points, which is good for first on the team. Wilkins has netted a team-high six goals, while Johnson put in five goals and notched two assists. Two of Johnson’s goals were overtime game-winners, coming against Houston and then No. 19 USF.

Johnson and Morgan Morocco led Temple in assists, as both contributed to two goals on the season. Five Owls tied in this category, with Marissa DiGenova, Natalie Druehl, Hailey Gutowski, Emily Keitel and Kerri McGinley NOTching one assist apiece.

Three Owls made their mark on the Temple women’s soccer’s career records list. Senior forward Sarah McGlinn tied with seven former players for tenth in games played with 73. Junior Morgan Basileo cracked the career goalkeeping records, moving to eighth in saves (167), tied for first in save percentage (.803) and second in goal against average (1.35). Senior Jordan Nash is also featured in the career goalkeeping records, as she is sixth in saves (226), third in save percentage (.799) and third in goals against average (1.36).

SUMMER INTERNSHIP BREAKFAST
This breakfast was organized to celebrate and acknowledge the students and departments/companies that participated in the summer internship program. Two student athletes spoke about their experiences with their company and department. This was followed by networking and breakfast.

ALKEMY X (OPEN HOUSE)
A group of eleven student-athletes took a trip into the city to visit the Philadelphia headquarters of Alkemy X. The group had interests in advertising, marketing, media studies and production, and business. The staff at Alkemy broke down their responsibilities as a company and went on a tour of their facilities. In the office’s in house theater, they deconstructed a commercial they created for Michelin breaking down the layers of editing, etc.

STORY TELLING SESSION (WORKSHOP)
Michael Gaines facilitated a workshop on how to effectively tell a story. The students were engaged and present when he asked for volunteers to share their constructed story. Many in the group found this helpful in telling their own story with meaningful impact – whether to employers, teammates, etc.

PUBLICIS (OPEN HOUSE)
Publicis hosted a group of student-athletes to tour their offices and watch a short presentation about all branches of Publicis as an extremely multifaceted company. Publicis also reviewed their intensive summer internship program. Additionally, a panel of 5 former student-athletes and current Publicis employees gave their advice on transitioning from athletics to work life. A short networking session closed out the visit.

STUDENT-ATHLETE CAREER SERVICES
In 2018-19, staff in the Resnick Academic Support Center for Student-Athletes worked to establish and innovate career services, engaging our student-athlete population with on-campus resources, career development off-campus excursions, open houses, and workshops. The Resnick Center services continued to evolved under the leadership of in-house specialist, Coordinator for Leadership and Professional Development, Alyssa Drachslin.

Partnering with the Career Center and their Employer Partnership Team, the Resnick Center hosted a collection of career development events including the following:

CAREER PANEL KICKOFF
The student-athlete career kick-off is organized to discuss career preparedness and development. The panelists introduced themselves and spoke about their personal career paths and participated in a question and answer session with athletes. Then, each panelist went to a separate table to lead a break out session, speaking with students in a more intimate setting.

STHM OPEN TO SA (NETWORKING)
Collaborations with STHM to open their main fall career fair to student-athletes. 28 student-athletes attended.

CALIPER - NETWORKING EVENT (KICK OFF)
This innovative career event was designed to refocus students on the practice of networking at career events. At this event, employer/company names were not revealed. Rather, the employers had selected three behaviors (from Caliper behavior list) that they valued in a specific position. These behaviors were displayed on the employer’s individual tables in the networking set-up. Students then used their own Caliper profiles to use their strengths and learned behaviors to network with the companies and organizations that were present and looking for employees that fit their strengths. This helped students articulate their skillsets beyond what is written on their resumes. Simultaneously, companies were not presumed to be looking for a specific major and were able to interface with a diverse group, consistent with their hiring preferences.

STUDY ABROAD SESSION
As an international campus, Temple has an opportunity to offer a unique experience to students in studying abroad while still on a Temple campus. Study abroad has been recognized as an opportunity for students to become more global citizens. We organized this information session as data gathering to gauge student-athletes’ interest in studying abroad. We also took note of preferred timing and locations for the student-athletes, as their schedules present a challenge.

Recognizing that many Owls opt to continue their education after earning their undergraduate degrees, Temple Athletics continued its partnership with KAPLAN, the leader in graduate test preparation resources, to allow student-athletes to apply for test prep courses at no cost. Fifteen student-athletes participated in GRE, GMAT, MCAT or LSAT prep courses throughout the spring semester.

VERIFIED KICK-OFF
A two week sign up period for the semester’s Verified program. The steps of Verified are reviewed, incentives are explained, and the overall purpose of the program is emphasized. As a simple checklist of 5 career development steps, our Verified students are considered the professional best – with access to events and gear.

SMART START - WOMEN’S SALARY NEGOTIATION (WORKSHOP)
Karen Demmler’s presentation that aims to help women in the workplace feel more comfortable talking about money in the workplace. This includes doing research, understanding when the conversation is appropriate, and what to do in a negotiation.

GRADUATE SCHOOL - JEFFERSON HOSPITAL (EMPLOYER)
An admissions officer from Jefferson’s graduate program came and spoke to the student-athletes that are interested in medical post graduate programs. She advised on how to best prepare yourself to be a competitive candidate, while also covering how to strengthen your portfolio if you are not admitted in the first round of applications. Many of the students were interested in Occupational Therapy, Physical Therapy, Physician’s Assistant, and medical school.

CHATTERBLAST (OPEN HOUSE)
Students interested in advertising, marketing, and creative design visited Chatterblast’s office in the city. Chatterblast was founded by a Temple alumnus, who took us around their office and conducted a roundtable discussion about the industry. Students were able to share some of their project ideas and received feedback, while others discussed next steps in their career development with the staff.

FLOWERS FOR KATIE’S MOM:

Temple SAAC members and student-athletes gathered at the Temple Sports Complex for the third annual planting ceremony for Flowers for Katie’s Mom. The flowers honor former track and field student-athlete Katie Pinson’s mother, an avid gardener, who passed away in the spring of 2015.

Every year, Temple student-athletes raise money for local non-profit Women in Transition, an organization dedicated to assisting women and children that are victims of domestic violence, substance abuse and poverty. This year, a representative from Women in Transition spoke to student-athletes at the event while Katie Pinson face-timed the audience to show her appreciation.

WALK TU:

Temple student-athletes and coaches joined in on the third annual “WalkTU” event to raise awareness around sexual violence on Wednesday, 3/27. WalkTU evolved from thoughtful conversations around a previous awareness-raising event called Walk A Mile in Her Shoes.

“Walk A Mile”, as it came to be known, was an opportunity for male-identified allies to participate in an event that was intended to draw attention to violence against women. The event initiated important dialogue around allyship, inclusion, and representation.

WalkTU emerged from that dialogue as a Temple-specific event intentionally designed to include everyone within our campus community and create space for all survivors of sexual violence.

ATHLETES HELPING ATHLETES (REPLACING POWER PONG):

For the third straight year, Temple student-athletes partnered with fellow student organization Athletes Helping Athletes to provide a field day for local Special Olympic athletes. Temple’s student athletes engaged in various yard games and facilitated sports drills with all participants who came out for the day.

WOMEN'S BASKETBALL SCHOOL DAY GAME

The Temple women's basketball team, in partnership with the Philadelphia Inquirer’s Newspapers in Education Program, celebrated the 17th Annual Women’s Basketball School Day Game in February. More than 3,500 students from over 25 local schools came to the Liacouras Center to learn about the importance of community service projects while cheering on the Owls. The students got to experience a question and answer session with Head Coach Tonya Cardoza, the Elmwood Park Zoo and Temple student-athletes. They also got to experience a hands on basketball clinic given by the assistant basketball coaches. Throughout the game, the students participated in interactive promotions, sing-a-longs and received prizes.

Support for our student-athletes not only provides a first-class competition experience, but ensures a commitment of excellence across student-athlete welfare. This includes access to top academic, training, nutrition, and professional development resources. Because of Owl Club support, our student-athletes are able to graduate as leaders in their communities and model representatives of Temple University.

Donor support is critical to initiatives in the areas of:
◆ Academic Excellence
◆ Athletic Excellence
◆ Civic Engagement
◆ Holistic Development
◆ Career Development

We are committed to operating with integrity in the best interest of the University, the American Athletic Conference and the NCAA.

Donors can join the Owl Club to help with these and other initiatives, with a gift of $110 or more to the Owl Club Annual Fund or any specific program. Young alumni under the age of 30 can join the Owl Club with a donation of $50 or more.

FACILITIES/CAPITAL PROJECTS
Temple Athletics is committed to providing first-class facilities and amenities for its 19 varsity sports. In an era when colleges and universities strive to recruit elite student-athletes and coaches, facilities have become a critical component of success. Building and maintaining outstanding facilities is integral to attracting and retaining top-tier talent.

Facility improvements within Temple Athletics have been substantial over the last few years, including our recent addition of nutrition stations for all 19 varsity sports, as well as the renovation of Temple basketball's weight room, offices and practice facility.

Temple Athletics regularly assesses Temple’s facilities in order to provide the best venues for our students to train and compete. Private giving through the Temple Owl Club is pivotal for success of all future projects. To learn more about supporting a specific project, please contact the Temple Owl Club at 215-204-CLUB (2582).
The Temple Owl Club held its annual Angels of Diamonds dinners in Philadelphia and NYC this year—generating over $185,000 in support toward student-athlete welfare initiatives.

The 34th Annual Temple Owl Club Golf Classic brought together Temple Athletics supporters at the official home of Temple Golf, the 1912 Club, for a day of golf and Temple pride. Net proceeds each year support student-athlete initiatives through the Owl Club.

The Temple Owl Club set an all-time record during Temple’s annual day of giving, Temple Toast. During the 24-hour campaign, 444 Temple alumni, fans and friends rallied around athletics to contribute more than $219,000 in gifts towards the Student-Athlete Commitment.

ENDOWMENTS

Endowments are gifts that keep on giving. Endowments are permanently invested by Temple University and generate earnings and interest for the purpose you choose to support; scholarships, coaches, facility maintenance, sport-specific program support, and much more. A gift to the endowment program is invested into a pool of funds managed by the University. A portion of the earnings from the investment provides annual support to the designated area. The remaining earnings are reinvested to grow the endowment to provide support in perpetuity.

FOREVER OWLS/ GIFT PROGRAM

Forever Owls and gift planning provides the opportunity to establish an enduring legacy through long-term philanthropic support of Temple Athletics. Remembering Temple Athletics in a will or living trust is an accessible and easy way to express your support. Special arrangements may enable you to plan a gift that will reduce taxes on your estate, provide capital support, or establish an endowment in your name or in memory of a loved one. Whichever option you choose, a bequest costs nothing now and yet gives the immediate satisfaction of achieving your philanthropic goals, while providing critical financial support to Temple Athletics.

T-CLUB MISSION

The mission of the T-Club is to provide letterwinners and former student-athletes the opportunity to foster and maintain a lifetime relationship with the Temple Athletics community, including their teammates, coaches and the University as a whole. T-Club initiatives aim to strengthen the bond between Temple letterwinners, enhance the history and traditions of Temple University, and create a culture where members feel inspired to return and contribute to the success of Temple Athletics. A T-Club relaunch is planned for Fall 2019.
